My dear Mrs. Billingham

I have written to
Mr. McKenna with the fact forms
on the lines suggested & hope
that what I have said will
carry weight.

You may remember that 2
years ago I attended your
daughter for a foreign boy in
the throat which I consider
indicates some weakness of the

Moose

This I have mentioned in
my letter.

Kind regards and wishes for
a speedy release

Yours very sincerely

A. D. Kellie
