Dear Lady Davidson

I think the idea of a portrait  
of Mrs Philippa Stacey is an  
excellent one & I shall be delighted  
to have my name on the Committee  
over which you will preside in order  
to raise the necessary funds.

I am afraid that I cannot leave here  
on July 31 to attend the Committee  
meeting. I am very busy here and  
being so far from London it is not  
easy to go there at short notice.

My best wishes for the success  
of the meeting

Yrs sincerely

Ruffside
