Dear Mrs Fawcett.

Please settle on any day
in Feb. except 9th 11th 12th
I will certainly go to any
drawing room meeting at
wh. fr with my presence,
& nothing but some un-
fouseen "cradle rocking"
will prevent my coming!
I do hope we shall get

Sir A. B. he wd be a
very good man.

I did not like the notice
of 'manchester' written by
our dear Mrs Courtenay
in the Lib. U. paper, & al-
together I think it is feebly
written. I write in haste
to catch a post -

Yrs sincerely
