Dear Miss Kebley
Very to the purpose this
week. I have now been
able to copy immediately
to you. Kind invitation
to make a short speech
at one of the house societies
at home.

Best I can see in this
matter - a hard 209.

I would like to take
the opportunity - "how are things
at the Press" did you
suggest.

If you could let me
know soon what of the
date would suit you,
it would be a convenience.

Yours sincerely
Margaret Heitland.
