Among my letters in London I have had one forwarded
from Miss Alice Balfour (Whitehouse house. Prestwick N^o 3)
She says "This new anti-Suffrage League has roused my
indignation and make me feel we must rise up ag.
it" so although up Linn she has refused to join
any Suff. Society, she has now decided to join ours.
Will you kindly send her the necessary papers
& the last annual report. Her letter is dated July 27. so please

house & home visit and quiet talks with
people & economic union re W.S. and offers
to subscribe if money is wanted. I
am just going to write her & thank
her for letters and say that I think
her plan is best carried out by small
meetings such as the round tables
I missed to see the Lake Country in October
