A selected list of books compiled by the LONDON AND NATIONAL SOCIETY FOR WOMEN'S SERVICE, 29 Marsham Street, Westminster S.W.1, for distribution by the National Book Council. As far as possible books now out of print have been omitted from this list, but many of these are essential to the study of the Women's Movement and can be consulted at Women's Service Library at the above address. The collection includes feminist books dating from 1527, early periodicals, pamphlets, reports and newspaper cuttings. Books may be borrowed by non-Members through the National Central Library of which Women's Service Library is an outlier.
