Since finishing my  
 letter. My friend  
 Miss <sup>H.M.</sup> Rempstone  
 a niece of  
 no mean repute  
 has offered to paint  
 a mini. of Mr. Fawcett

Telegrams, Postals, } Cornwall.  
 Parcels, Doublebois, }

and Miss Hamilton  
and give them to  
the cause -

Miss H. is connected  
with Mr. Hal Hurst  
& Mr. Williams Studio  
(who as you know  
are tops of the tree)

Miss Hamilton  
would object if  
possible from a  
point to grapho - but

She would want  
a few sittings, I think  
She would arrange  
at the sitters  
convenience -

If this offer is every good

Miss H. returns to town

on the 24 April.

In great haste. It is

so fine. We cannot

attend to correspondence
