Dear Mr. Alderson,

I am so pleased about the post-  
ponement of the Ex: Com: on Sep 7. and  
also that you have got away for a change  
and rest. I will enjoy up for the Ex: Com on Sep 2  
I start on my ~~and~~

I start on my Saffrage tour in the

S. W. Federation on Oct 4; but I

have not heard yet from Miss Matthews

that any meeting is definitely fixed

except Torquay on Oct 11. I will write to

Miss M & ask her if she can

release me till Friday Oct 6. This  
would enable me to attend the Ex-Com on  
Oct-5.

I have not heard again from Lady  
Selborne yet - I have begged her  
when I see or write to Sir E Carson  
and also to Mr. G. Robinson.

I am not insensible to Mr. Atkinson's  
delightful phrase about the

unplumbed resources of the P. M. Society.

But he has an eye to the public, and

I do not think he can altogether play us

false now, although he may be striving

to ~~work~~ work us on Adult Suffrage.

That is evidently what Nina Boylston

But there has been a great change

in public opinion on Adult Suffrage

since the war. People are no longer

terrified by it, as they used to be.

Yours sincerely M. Stewart
