My dear Shelton
Very many thanks
for sending me
the Telegram, I am
delighted to find
they have had such
a prosperous journey.
Mr. Gavin sent me
a most kind invitation

last week, I am greatly
looking forward to
my trip to Scotland
with you; I shall
not go by steamer
unless the weather
is very fine.

We had a most
lively discussion
in the House on
Friday evening, I am
glad you agree

with me in objecting
to this paternal pa-
tronising legislation.

Yours very truly
Henry Fawcett.
