Dear Miss Davis,

Thank you very
much for your long letter
which interested me very
much.

I think the plan of an
Organising Secretary a very
good one indeed.

I see in the Subscription
List, for 1905, I am only down

2

for 5/- subscription, but on
referring to my own account
book I find I gave £100 as an
increased subscription

At any rate, I will give £100
yearly, in future. Perhaps it
for the Special Fund I gave £100.
I think it must have been.

At present, I am trying to
have Lord Percy, Candidate for
Kensington - at any rate - but
to oppose the measure in
Parliament, but it is not

3

difficult to get any man
to trouble about the matter.
But how is the time to do it,
or not at all.

I shall always be interested
in the movement, & never
cease to further the cause.

Thankfully reciprocate your

kind good wishes for the
New Year, & hope I may

4

see you more often than
I can do.

With kind regards,

Yours very sincerely

M. Dale,

P.S. Thank you also
very much for sending me
the Report promptly.
