CHURCH HOUSE,

DEAN'S YARD, S.W.

May 2 1917

Dear Madam,

I have already written to  
the authors of "Woman & the  
Church" to the care of Misses Fisher  
Kenwin, thanking them for their kind  
sending me a copy of the work.

As the Archbishop has appointed an  
important Committee to inquire into  
the historical position of women in  
the Church (I am not certain of  
the title) I prefer to express no

opinion as present on the  
claims made in your book.

I am

Yours faithfully

Edw. L. S. Florence
