My dear Miss Strachey

I am indeed most grateful  
for your letter and your  
appreciation of my work.

My wife and I thank you  
for your invitation for the  
7<sup>th</sup> but regret that it  
will be impossible to accept  
after the two charming letters  
I have received I really  
feel that Newtonham is my  
spiritual home, for I  
have never met such  
patience and courtesy  
as you have shown to me.

Most sincerely  
yours

William B. Jones
