Feb. 11. 88.

Dear Mrs Fawcett,

Mrs Watson, of
Newcastle, has forwarded to me
your letter about the Pantomime
children. I am not sure
at this moment whether I
shall undertake the Bill, or not
but I shall know in a few
days, and if I do take it up,
will gladly communicate

with you.

I was very grateful to
you for your kind letter to
my wife during my illness.

Yours sincerely,

John Morley.
