Dear Miss Agnes Hill,

Thank you for your nice letter. Our Dress Rehearsal will be 'as a show' as we have invited 400 of the Clergy so that it will be just as long and crowded as an ordinary show - and of course the previous one will take hours, with photographs etc. I suggest that you wait a little and let me send you a box sometime later in the run, when you can leave easily if you want to do so. Will you remind me, as I'll be delighted to do this ?

Yours sincerely,

*Sybil Thorndike*

Miss Agnes Hill,
