

SIXTEEN LORD NORTH STREET,
WESTMINSTER,
S.W.1.
ABBEY 2167.

Dear Philippe -

It really is awfully of
you - not only to have thought
of me - but to have given
me such a really lovely
present & one which I
am quite sure it has
hurt you to part with!
I am embraced with it

9/31/69

very overwhelmed into
your generosity - Thank
you so much - you sweet
or dear friend.

I imagine you hate
going to your house
but I know that is
great relief it is to
be quit of the responsibility
of running a house &
all the complications

SIXTEEN LORD NORTH STREET,

WESTMINSTER,

S.W.1.

ABBEY 2167.

That present themselves
to be dealt with - I
I often enjoy a snail with
its solution of the
housing problem - although
I must admit I care
not at all for its
rate of progress -
Please let me hear

9/31/69

When you are ready to
come out for lunch
I give you the pleasure
of seeing you here.
With so many thanks

Love

Ever affectionately

Bill
