National Union of Women Teachers,  
39, Gordon Square,  
W.C. 1.

Dear Madam,

I shall be very glad to lecture on "A STATE THEATRE" in the coming autumn, but as I am not having my holiday until September I cannot be quite certain that I shall be back in London early in October so if you can arrange for the lecture at the end of the month it would be more convenient to me. You do not say whether the lecture will be in the afternoon or evening.

With regard to the fee, I generally get ten guineas in London which I like to have sent in the form of a donation to the Players. If, however, you cannot afford this fee will you kindly let me know what you usually pay and no doubt we can come to some arrangement.

Yours faithfully,

*The Players*
