Dear Mrs Stacey,

Please make my excuses
to the Queen's Hall meeting
Comm. I shall not be back
in London until Monday
night. I can't help hoping
there may be some mistakes

as to its being summoned
for tomorrow noon, as
Miss Owen had called
the St. George's meeting
for the same hour, as I
had already made
my excuses to her for
non-attendance.

I am very sorry to miss both
these fixtures, & would
have arranged differently
had it been possible.
By the way, I know you will
rejoice to hear that the
Transport officials -
the heads - having thoroughly
overhauled every detail
of the ambulance provision
here the best they have

received, both as to chassis
& equipment-. Further, we
have been able to send
out as driver the man
we wanted from the
beginning. & these - both
are now away to the front.
It was real commendation.
& I feel you must take
a large share.

Sincerely yours

Carleide Kenally
