Dear Madam

Your card having been given to me, I send a Report which with I think answer you fully - as to terms, ^{entrance} preliminary examinations see pp 7 & 8 - for courses of study see page 9. If there should still be points about which you or Miss Dalley wish to ask, I hope you will write to the College secretary Miss Kennedy, The Elms Cambridge - or to me. I am also sending a Report to Miss Dalley.

Yours faithfully,
