Dear Lady Strachey

I had heard of
your kind intentions for
the 16th & I hope nothing
will prevent my accepting
your kind invitation to

be present - when I shall
be accompanied by my
niece, Mrs. Morgan.

My one drawback
to the gratification is,
the thought of the
incredible trouble
taken by my kind

friends - for a meeting
of which my wildest
visions could never have
imagined!

Lady Wontage is an
old friend, & I thank
you for letting me see
her kind note.

with renewed thanks,
Sincerely yr^s

Louisa Twining
