Dear Miss Phillipa,

I told you I had a surprise for you and it is that I am going to make out a seven year covenant to you for the sum of £100 for you to spend on yourself!

You can't know what a joy this is for me to give you this - you who have done so much for me and for others.

I wonder if you can help me on another matter. I am reviewing the whole position of my subscriptions list and I want to do something for the endowment of women's colleges in this country. It would have to take the form of a Covenant also but I am not sure which is the most deserving of help. Can you give me some idea? I am just off to Switzerland for 2 weeks so when I come back perhaps you will let me know. — Ikey/100
