Dear Miss Downing,

In reply to your letter of yesterday's date I have much pleasure in sending you some addresses in Cardiff. Two ladies, Miss Evans and Miss Nantez, 23, Dumfries Place, Cardiff, are very anxious that a Branch of this Society may soon be formed in Cardiff and are at present engaged in getting the Declaration signed. I am sure they will be very pleased if you will call upon them. They can no doubt give you a copy of the Declaration. We have none here, but they can be obtained from Miss Clementina Black, 67, Fleet Street, E.C. She is very glad to receive any donation, however, small, towards expenses of printing and postage. There is also another lady in Cardiff, Mrs. Herbert Wade, 10, Southey Street, Wordsworth Avenue, Cardiff, who may shortly undertake to organise a Committee there. She will be very glad, no doubt, to discuss the situation with you and you will be in a position to tell her something of the Central Society's methods. I shall be very glad to hear from you later on what your impression of the position in Cardiff is.

Yours sincerely,

pro E. PALLISER.
