Dear Miss Corry,

I have just got home
after 4 months' absence
in Vienna working very
hard to complete a geol-
ogical work. I find my-
self snowed under with
claims for my going here
& there, "waiting whole winter"
type of thing, "last meeting
before Easter" & so on.

I am sorry that I
cannot manage to be
present on Friday 8th
April at the Dinner
to meet Dame Rachel
Crowdy as I have
already promised to
speak at a Women Citizens'
Assocⁿ on that evening.
Practically every evening

must go before Easter.

Will you kindly thank
the L. of N. Circle of the
Lyceum Club for their
kind invitation & express
my regret to be unable
to accept.

It will be a pleasure
to look forward to renewing
my acquaintanceship with
you at some - I hope - early
opportunity. Yrs very truly
May Sibbie Gordon
