Dear Madam I return with best  
thanks your "Steel Smith" paper & found in it  
only two little inaccuracies which I have corrected!  
I think you've done your job most marvellously!  
Nothing is a greater bore than extracting the  
pith of love autobiographies & you know

two other books of mine - As Time Went  
What happened next - are still  
strictly autobiographies than "Impressions  
that remain" & if I can sufficiently  
Combat - lethargy by on with it, the  
same can be said of the book "I am  
Engaged as now" a fresh start -"

Yours very truly

Ethel Smyth -
