29th May 1968

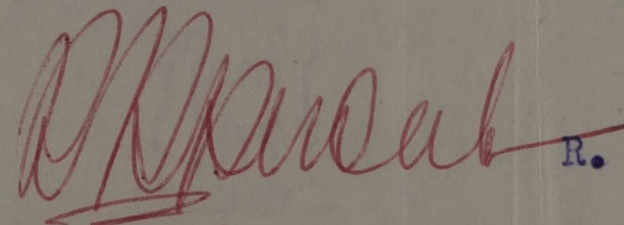

Dear Madam,

We thought you would like to have a First Day of Issue envelope of the special stamp commemorating the 50th Anniversary of "Votes for Women". We hope you will keep it, as one day it may be of some value, and also we hope that it will serve to bring our name before you as printers.

We already value amongst our customers the National Federation of Women's Institutes for whom we have done printing for many years, and it would give us great pleasure to work for your organisation also. Perhaps we could have the opportunity of quoting for some of your work.

You can use the enclosed envelope to send us samples, or, of course, the writer would be delighted to call on you at any time.

Yours faithfully,

R. J. Sproule

Dear Sir,

We thought you would like to have a copy of the report of the Board's Executive Library for the year 1954-55.

The report is available to you on request and will be sent to you as soon as possible. It contains a list of the books and journals which are held in the library and a list of the names of the members of the library.

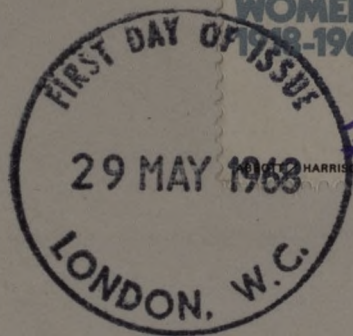

Yours faithfully,  
The Secretary
