Dear Mr. Miles,

I am glad to hear from you again and hope you are enjoying the best of health. Of course, I remember you in the old days when I used to speak in Lewisham.

I am very sorry I cannot send an Order for the lady friend to whom you refer. I have no doubt she is everything you say and I should personally like to oblige her, but owing to the unreasonable outbreaks of extreme women I have declined sending Orders for the Ladies Gallery to anyone except to my immediate family circle.

With kind regards,

Yours faithfully,
