Dear Mr. A. Newman.

I cannot express
the sorrow and surprise
with which I read your letter.

I had no idea that you
dissected from anyone
of the League's principles.

When you retired you said

"You could not keep visiting

London." It was painful

and praying to lose you
from Ex. Com: for I never saw
reason for retirement - - but
that you withdraw from
membership !!! -

It makes me really sad -
Not long ago you asked
me to tell you from time
to time what places were
& what our work!

This seemed right &
natural - you being a
member of League - & an
old member of Ex -

But - if you retire
from membership how

Can you care to know our
hopes plans, & work?
I would fair keep you
informed, dear Mrs. M^{rs} ^{W. M. M^{rs}} ^{W. M. M^{rs}}

More thought & thought
- all day and wondered
if acceptance of Su C D's
will be cause of retirement
Surely not -

You retire from membership
for some cause.

The Cottys retire because
of Home Builders & Socialists
being on our committee

The Mallesons because
of divorce -

The Wood & Browns & -

What next? Who next?

All these excellent members
I am won a Rep. you
most of all.

Ah! leave U. G. lectures

Arrangements to others who
do not vote for women

Tom I feel rather sick at
heart because of your

action. I re-dreamed
it. Welcome.

Yours affly

Alice Clapp Scatcherd
