Dear Madam,

I shall be glad if you will tell me how many copies of the Annual Report you would like. We hope to have it ready to send out shortly.

It has been suggested that as this Report is particularly interesting and the cost of printing is heavy, we might charge 1d. per copy. Do you think your members would be willing to pay this? Of course those for our Executive Committee and for direct contributors to National Union Funds will be free.

Yours faithfully,

F. STERLING.
