April 25.

Dear Miss Strachey.

I am very
anxious to know if there
is amongst suffrage literature
any leaflet of statistics of the
comparative hours of labour
of men & women?

An effort is going to be
made to bring to the notice
of hospital subscribers
the average hours of nurses

(91 hours a week) & some
statistics are wanted for
comparison.

It would be very kind if
you would let me know
this as I am out of town
& unable to get at anything.

If there is no suffrage
publication I thought of
applying to the Board of Trade.

Sincerely yours.

Wm. R. R. Mackenzie
