Dear Mrs Horton

Thank you for the enclosures about  
the Philippa Strachey portrait.

If I sh<sup>d</sup> want any more, I will let  
you know. I have sent one off to  
a Miss Atkinson who was rather a  
troublesome years ago + rumour has it  
that she helped to hide Mrs Penkhurst,  
when she was wanted by the police, in  
a Castle in West Northumberland!  
If she wants any more copies, I will  
apply to you

With my kind regards

Yours sincerely

Ruffside

Like an idiot. I sent this to Marshall St  
so it was returned marked address demolished!
