Cell

Dearest Mum,

You will have heard by now  
that the sentence is 8 months 1<sup>st</sup> Div.

I shall be out quite soon but a bit ill  
I have no doubt. If I do not fight

for this, the next lot of women

will have years in the 1<sup>st</sup> Div.

as I am the 1<sup>st</sup> one to be counted  
on & not hysterical & given the

1<sup>st</sup> Div. I am the one who must fight  
for no Div. Please let the

Prison Doctor know that my arms

were once paralysed also that

my throat was paralysed so that

could not swallow any liquid

without it returning down my nose.

addresses are <sup>nearly</sup> all on my side but I'm

afraid it will mean a struggle & hard  
fight for it - Anyhow the friends  
outside will fight too against the  
forcible feeding
