QUESTIONS to be submitted to all Members of Parliament and Prospective Candidates

THIS DEPUTATION has the honour to submit the following questions to yourself and the other candidates for election to Parliament. We do so, not in the spirit of dictation, but because of the decisive importance of knowing where the candidates who are asking for our votes stand in these matters.

I.—KELLOGG PACT.

Seeing that in signing the Kellogg Pact we have renounced War as an instrument of national policy, will you urge that this principle should be strictly observed in every dispute with other countries, without reservations?

II.—OPTIONAL CLAUSE.

Will you vote and speak in favour of Great Britain signing the optional clause of the Statute establishing the Permanent Court of International Justice, by which she would bind herself to take to the Court any justiciable dispute which cannot otherwise be peacefully settled?

III.—PACIFIC SETTLEMENT OF INTERNATIONAL DISPUTES.

Will you vote and speak in favour of the British Government accepting the obligation to settle all international disputes by peaceful means?

IV.—DISARMAMENT.

Will you urge upon the Government to insist at the Preparatory Disarmament Commission that reduction as well as limitation of all armaments are required of members of the League, and to make definite proposals for this purpose untrammelled by private understandings?

Will you do all in your power to urge the calling of the International Disarmament Conference in 1929?

V.—EVACUATION OF THE RHINELAND.

Are you in favour of the immediate evacuation of the Rhineland, in accordance with Article 431 of the Treaty of Versailles?
