Dear Mrs Fawcett

Herewith is the article
I spoke to you about.

If you have time to pencil on the
margin, or observe anything that
occurs to you upon the same I shall
be obliged.

I bring herewith "To Day" -

I enjoyed our little talk today so much
I wish you were a member of Parliament.
Parliament needs you & you must not
get out of the swim.

It would be a pleasure to
meet you soon again

I am Yours truly
Wm Stead
