My dear Comrade

I am so very anxious to know
when you are and how you are. If you
feel well enough to send me just one
line I should be so grateful. I did all
I could the time you were in prison and
have much of interest to tell you - we
felt it terrible when we heard you
were being priced fed - How dared
they! I long to hear that you are not
suffering much now. With heart-felt
gratitude for your brave & unselfish devotion
yours in the Cause
Missor Penn Gaskell
