April 20<sup>th</sup> 1841.

Dear Madam

Although you may not  
yourself be resident in the  
Northampton Division of Leicesters  
I would nevertheless venture to  
write to you in regard to the  
election now pending in that  
Division and to ask if you  
can help our cause by

having the question of the extension  
of the Parliamentary franchise to  
women brought before the Candidates,  
Mr. Hardy & Mr. Logan:-

It would be most valuable  
if you can do this. This Com<sup>tee</sup>  
has never sought to make this  
treated as a test question, but they  
feel greatly the importance of  
having it brought before the

consideration of all candidates.

We trust you may have  
opportunities, whether directly  
yourself, or indirectly through friends,  
helping us in this important  
matter.

If you can circulate  
some of the enclosed leaflets  
we shall be glad to send you  
as many as you may be

ahh to use.

I am dear Madam

your faithful

Walter Blackman
