My dear Wilfred

I shall have

no difficulty in getting
the Postal Order paid,

but you wrote it

was per N.P. Grubb

in that case they old

have had to draw it

before they old have

paid it to me. I there

fore delayed my signa

ture till I heard from

you. I quite expected

of specimens shd be what
it is respecting the legal
form of my Will, but it
is unpleasant as I had
trouble in making of Speedale
understand before. I hope
you will be my Executor.
I am better in health
but it is impossible
not to feel such a loss,
you are very kindly thought
ful for me, I wish
I shd get out a little,
dear SA does not like

going out as she does
not miss it as I do but
the weather is so disagreeably
cold I can't get down
on Veranda

With kind love to you
& each
of you affectionately
Eleanor Becker

of Uncle Leeph & of —
