Dear Mr Nodin,

I enclose Wadworth's statement. He offers to send duplicate receipts if necessary. I have filled in the items, and hope the addition is right. There are two Affiliation Fees I should like to alter if it were possible. Mrs Stallybrass I mentioned to your wife on Friday. She sent me 2/10 by mistake for 3/10, and has now sent her extra 1/-. As it will otherwise look wrong in the Balance Sheet would it be possible to alter this now? Please return her letter by your wife. Would you also be able to add in Newcastle? The secretary sent it on Dec 23d, but I had overlooked it in sending receipts and in entry, and as it is not her fault it ought to appear in the Balance Sheet if possible. Perhaps you would make these alterations, if you allow them, and the necessary change <sup>making</sup> in the Balance in hand so much larger. I enclose the receipt book and the cash book to show that they are entered.

With many thanks for your kind trouble, and hoping that I shall not give you so much next year,

Yours very sincerely,

J. R. MacDonald

P.S. I enclose letter from Gateshead which has not been cleared up yet, so I suppose must stand as it is.
