Dear Pippa

The accounts of Louis are as bad as they can possibly be. He has had very high fever for the last three weeks & now other bad symptoms have set in. It is no use hoping any more. Rose is with him now. Ruth is at Marlborough but goes to

Brighton on Tuesday. Mr. Paul is in
London. It is all very dreadful.

Every one here is well. Miss Broome
has departed. No signs whatever - not
that that shows much. But they all
now there is nothing in it.

I suppose Sydney is arrived. Please
give him my fond love & say I
am sorry not to be there. I hope
his tooth is better and that you

provide him with milk to drink
and soft things to eat in case he
can't bite.

I am very sorry the weather
has changed.

Don't forget to let me know
when A. H. goes.

Have you done anything
about Angelica?

I had a long letter from
Cousin Minnie. No news in it
at all. How fare well

Ever yr. affec^{le} sister
Dorothy-

My bicycle is vastly admired
here.
