My Dear Miss Theobald,

I find in looking at my engagements that I have no time to put in another meeting in October.

If November would suit you

I am fairly free then, and I

would suggest Thursday or Friday

Nov 3 or 4, for our meeting. This
would coincide with the N. A. Com^{ee}
and would therefore I hope suit
Mr Swannick.

If I may make a suggestion I
would say that 4 speakers
from outside are too many.

I think you should try for a good
local man or woman for the
chair, who would speak about

a quarter of an hour; two speakers
turn out side (half an hour
each) these with the usual
series of thanks would fill up
about $1\frac{3}{4}$ hrs which would
easily stretch to 2 hours,
quite long enough. If your
suggested programme of 4

9/31/26

speakers, besides those from the locality,
were adopted at meetings, unregu-
larly run on for 3 hours &
be spoiled by people getting tired
& leaning ^{before the end}. You have to remember
the importance from the political point-
of view, i.e. influencing the M.P.,
& the political Associations, of securing
good local support.

Thanking you for your very kind expressions
towards myself, I am very truly
M. G. Fawcett
