Dearest Pippa

The enclosed bill from the Pan:
has arrived. Will you settle it?
No particular news here - except that
Janie has been unusually well for
the last three weeks. I got a quaint
& charming epistle from Jane about
the Hebrew book. She says she is coming
with you & Pernel to pay us a visit
in the summer. We are still very
uncertain about plans. The latest
idea is to go the Austrian Tirol -
(Dolomites in fact) for July & Aug.

~ then spend Sept. sea bathing on
the Lido. We are bargaining for a chalet
at a place called S^t Ulrich in Gröden.
When anything is settled I will let
you know. We shall stay here at
any rate till the end of June, as the
warmth - not excessive - seems to
do Jamie good. All the inhabitants
of Meutone except Aunt Nell have
left. What is Jimbeau doing?

Are you responsible for Mr. Master's
man's undoing?

kindest love to all the family from
the 3 B.s.
