REGENT'S PARK,
N. W.

Dear Miss Trachey,

I enclose a cheque
for 10/-, & should be glad of
two reserved seats - for my
instaid & myself - for the
Suffrage Meeting at
Queen's Hall on the 17th -

May I also add the
assurance that if your
Mother & yourself should

chance to be attending the
same meeting, — how much
pleasure it would give me
if you would both share
an 'early dinner' here at 7,
(or a quarter to-) before
going on to the Hall? —

These Flats are on the Marylebone
Rd., just opposite the top end
of Harley St. So we are only

about the length of Portland
Place from the Queen's Hall.

I feel sure Lady Strachey
will believe how genuinely
I should value the opportunity
of welcoming her personally.

With kind regards,

Yours very truly,

Violet Gray-Bathy.
