Dear Miss Strachey,

I have just returned from abroad and find your letter awaiting me. I am very sorry to say that it will be impossible for me to accept the kind invitation of the Executive Committee to become a member of the Entertainments Committee for the Oriental Fete you propose to hold in December but I shall be more than usually busy during that month. If, however, I can be of any assistance to you in a more passive way will you let me know, and I shall be only too pleased to do what I can.

Yours very truly,

Lillah McCarthy
