TEMPLEPATRICK,
Co. ANTRIM.

Dec 28th 89.

Dear Miss Pallen

We are having
a Paper in favour of
votes for women, on Jan'y
3rd in this village.

I would be extremely
obliged if you would
send me by return a

little literature on the
subject. E. g. a pamphlet
or a few leaflets in favour
of Women's Suffrage.

I am in favour of the
Movement and was present
at the great Demonstration in
Hyde Park and was on Miss
Annie Kenney's platform.

Yours faithfully

Chas. F. Newell.
