

Brunhansen. July 6th 18

My dear Nelly,

A-1/3861

Just had your letter, and
of course we shall be delighted
to have you here at the time
mentioned (August 4th).

The house will be full, but so
much the better, and I am looking
forward very much to this
unexpected pleasure.

You will of course let me know
the train by which you arrive
at Alfeld, so that I can meet you
