Ackd and letter sent to Mrs Wallas 15/9/62

106 Baydell Court N.W.P

Dear Mrs Wallis,

A4/3646

I enclose a letter from Mrs Francis which seems to make the present situation clear & from which you could inform Mrs Shackey. When you have done so perhaps you would be kind enough to send it on to Miss May Wallas and the matter will then be in the hands of the Newnham Librarian & Philippa herself. I will acknowledge the letter to Mrs Francis & write to Miss Wallas & then I think I must slide peacefully out of this affair as what energies I can dispose of belong primarily to Fawcett Lib. & Peppercorn Lib.

Mrs Wallas' address
Old Hall
Newnham College

Yours ever
