Dear Miss Hopkins

My - I will

not go up a third

Saturday - I will

to go to London again

this week - Besides

it is much better

John W. H. L.

well - I have

done much - I might

my duty - "The matter  
will be really decided  
not by the meeting  
of ladies, but by the  
bishops & archbishops.

I wrote Jilly & Mrs  
Osborn. Perhaps

a Church League  
may do more good,  
for the effect of such

an union will be  
felt more - that is  
technically called "Society"

With this here -

Yrs very sincerely

D. D. Cook
