My dearest Mama,

My order this week is:

LATIN	GREEK	FRENCH	MATH
1.	6.	1.	3.

I have begun the third book of Euclid this term. In the Merchant we each read a part, I am Antonio. Rupert

has got a disease probably
jaundice. I got the 'Christmas
Books' all right. Roger
Boyle saw the Sorceror acted
in Hastings by the same
people. There is no more to

say so
Good bye
Your loving James.

Chaplin's brother was in
the shipwreck off Margate
when the lifeboat arrived
he ran down to get the
ship-cat, after they had been
quite 5 hours without any
hope of life.
