

München. Tiererstrasse 60 II
(Pension Niedersachsen) 31. July 08.

My dear Kelly, AL/3843

I came here this morning and my sister has just joined me. The heat is still somewhat overpowering, even at Munich, though there is more air than at Berlin.

Will you please let me know the earliest date at which I can have a room at the Hotel Post (Tiererstrasse), and also the

terms. I will then write at
advance, to order it.

I hope your journey has not
been quite as hot as these last
days on the continent and that
^{I will}
you have safely reached your
destination by the time this
reaches you. Auf Wiedersehen!

Yours affably,
Alia von Cotta.
