Dear Miss Phillips,

A Meeting for City men is to be held in the Great Hall the Cannon Street Hotel at 1.30 on Tuesday, October 19, and I am desired by the Sub-Committee for Public Meetings to request the consent of the Executive Committee of the National Union to Miss Helen Fraser's speaking upon the occasion. The other speakers will be Mrs. Fawcett, Miss Sterling, and Sir Edward Busk.

We should be very much obliged if you would kindly let us have an answer at the earliest possible date in order that Miss Fraser's name should be included in notices of the Meeting.

Yours very truly,

P.S.
