

10 April 1941 ^{AY/1591}

10, Downing Street,
Whitehall. S.W.

My dear Sumner,

Thank you for your letter
with regard to Mrs Lees.

I shall bear your remarks in mind
as to the institution of an
honour for work done by women.
My own experience of their views
on this point is much the
same as yours.

Yours very sincerely
W. A. S. Smith
