Dear Madam

I have, as I know you  
will understand, to reserve  
all I can of my strength - & my  
means - for musical ~~studies~~ (relating  
to women's, not  
very happy place in our  
music life) But - ~~as~~  
to be linked with Dame Melli-  
Cent's object, if only ~~very~~  
slenderly, I beg to enclose £1-

Yours faithfully
